How to communicate?

KM focal person compiles information and reports to Project Manager & entire Project team

The objective of the Telephone Tree is to pass a message as quickly as possible through the organisation.

- In an emergency, sms/call the emergency mobile numbers.
- If one person is not in, sms/call the next person in the column.
- They should then sms/call the remaining people in that column.
- Notify changes of telephone/mobile numbers to the Management and Security/Logistics Administrator
